	1.1	Apologies noted for those absent from the meeting.			
2.0	CONSTRUCTION STATUS & PROJECT UPDATE				
	2.2	<p>The overall construction program was discussed. The excavation works were completed in January 2010. Parkview Constructions are now on board and have commenced on site.</p> <p>Detailed excavation work will continue til the end of April (rock hammering).</p> <p>Crane is scheduled to be delivered on the 07 April and the erection will take 2 days.</p> <p>Looking at a completion date on May 2011.</p>			
	2.3	<p>There have been two official complaints from the community since the last Community Liaison meeting. One from a resident in Boronia Street and one from No. 2 Canberra Ave. Meetings were held with both parties. With Boronia St, it is believed that the diesel smell and cold puffs of air are not coming from Duntroon Ave. With No.2 Canberra Ave, the driveway is to remain as it was cracked below the demolition of the houses took place.</p> <p>Two new items:</p> <ol style="list-style-type: none"> 1) The sign stating that trucks are not to enter Canberra Ave is to be erected on the corner of Canberra Ave and River Rd. 2) On Duntroon Ave, the street drain needs to be looked at as it floods the road and also washes into the park washing away the soft fall under the playground. 			
	2.4	RTT advises that the next newsletter will be distributed during the month of May 2010.			
	2.5	PM requested that a sign be erected on the corner of Canberra Ave and Duntroon Ave stating that no construction vehicles are to enter Canberra Ave. The sign will be erected			

		on 12 March 2010.	
	2.6	It has also been requested that a representative from the new residents in Building A and B become a member of the CLC. A BMC meeting will take place in late March to confirm if there is a person that would like to join the CLC.
