

Community Information Day  
set for 28th May 2005

The key event in the community consultation program for Duntroon Avenue is coming up shortly on the 28th May 2005.

The Community Information Day will be held at Venue Plus, 619 Pacific Highway St Leonards and all local residents are encouraged to attend.

Three identical briefing sessions of approximately 2 hours duration will be held on the day so attendees can choose the session which is most convenient to them.

Session start times are:

- 10:00am
- 1:00pm
- 4:00pm

It is important that you RSVP for the session time which most suits you by calling the 1800 612 665 Duntroon Avenue Information Line.

**For further information** phone Belinda Barnett or Rosemarie Sheppard of Urban Concepts on the Duntroon Avenue Information Line 1800 612 665 during business hours.

The sessions will be facilitated by Belinda Barnett of Urban Concepts with Australand representatives also attending.

The main aim of the Community Information Day is to present to residents and other stakeholders the findings of a detailed analysis of the Duntroon Avenue site and to seek your views.

This analysis was commissioned by Australand and was undertaken by a multi-disciplinary team of architects, planners and urban designers who will be presenting a range of design principles for the site.

This is a valuable opportunity for you to participate in discussion on these design principles and make your comments and views heard.

#### **Duntroon Avenue News hits the streets**

The first Duntroon Avenue Newsletter is being distributed to residents living around the site this week.

Approximately 1500 copies of Duntroon Avenue News will be mailed or hand delivered to homes in the area.

The newsletter contains important information about the consultation process, the Community Information Day, key contact details including email, phone and website.

Should you wish to receive a copy of future newsletters, contact Urban Concepts on 1800 612 665

**Make sure you put the 28th May 2005 in your diary now and don't forget to RSVP on the Duntroon Avenue Information Line, 1800 612 665.**
